Our goal is to get every Jew to realize the need for expansion, to agree that it's the right thing to do now, and to promote and encourage it in their capacity. In order to accomplish the above and to help people connect to the expansion vision, there needs to be shown a variety of people expressing their opinions and feelings about expansion.

Join the Tehilim Group

"The chapters of Tehillim shatter all barriers". Whichever impure elements are opposing the expansion for the last three decades can surely be overcome with a heartfelt prayer.
